

Ideate Customer Quotes

“EXCELLEEEEEENT! The information Teresa Martin and Derek Wielkopolski provided helped to make me more of a resource in my position as a CAD Manager.”

—**Harold Soriano Short, CAD Manager, Timmons Design Engineers, San Francisco, California**

“Great support from Derek. He is very knowledgeable and was able to assist me with my issue immediately.”

—**Casey Duncan, West Yost Associates, Davis, California**

“Ron Palma was able to solve a problem ‘on the fly’ to help us meet a deadline. He problem-solved to find a solution that would work given our time frame, and handled my urgency with appropriate efficiency. Great job!”

—**Georgeanne Smith, Architectural Technician, KPG, Seattle, Washington**

“Everyone at Mead & Hunt is very, very pleased with the support provided by Ideate. We appreciate the efforts of the team, especially since Mead & Hunt’s Autodesk users are based in offices in several different states. We also appreciate the Ideate Explorer for Revit and use it extensively to manage our Revit models. The search tool is so critical to our processes, that we have actually created internal training documents featuring the Ideate Explorer for Revit.”

—**Dan Dankert, CAD Manager, Mead & Hunt, Madison, Wisconsin**

“Thanks to Teresa Martin for lending us a hand in solving a model issue, helping us avoid a crisis situation before a submittal deadline. We really appreciate Teresa’s quick response at such a short notice. I’m confident we’ll greatly benefit from Teresa teaching our upcoming batch of students at Ideate.”

—**Rohit Arora, IT/CAD Manager, Bohlin Cywinski Jackson, San Francisco, California**

“Excellent service as always.”

—**Clare B. Le Brun, Valley Architects LLP, Napa Valley, California**

“We have high expectations of Ideate. We were not disappointed.”

—**Mike Berline, Berline & Associates, San Francisco, California**

“The Ideate consulting was great! Everybody was very happy with the information that we got. David Haynes was very knowledgeable and gave us a lot of practical feedback on how to approach our next project. It was just what we needed and I speak for everyone who attended, when I say it was time well spent. We will definitely think about doing this sort of thing again at the end of our next Revit project or even at major benchmarks.”

—**Brendan Bakey, Freiheit & Ho Architects, Inc., P.S, Kirkland, Washington**

“Teresa Martin was very informative and knowledgeable. She was great with answering questions during the Navisworks 201: Clash Detection webinar – many presenters forget to do this.”

—**Stephanie Spann, HOK, St. Louis, Missouri**

“I really learned a lot in the Ideate AutoCAD Fundamentals class. The instructor, Gaurav Bagga, explained things in a way which was very easy to grasp and understand. The examples were applicable to what I was learning. I will gladly recommend this class and instructor to others in my profession.”

—**Dawn Smithson, California Water Service Company, San Jose, California**

Ideate Customer Quotes – continued...

“It was great to have this course focused on the Management aspects of using Revit in an Architectural firm.”

—**Gaston Olvera, Project Manager, Hibser Yamauchi Architects (attended Revit Architecture for Project Managers Workshop), Oakland, Davis and Los Angeles, California**

“Gaurav is an excellent instructor and very well prepared to answer any kind of question related to the subject taught. He is very helpful and patient.”

—**Margarita McKinney, City and County of San Francisco Public Utilities Commission, California**

“The instructor and materials are very helpful. And examples were given where I can apply to my daily work activities. The course will definitely help me to perform better in my work.”

—**Ben Chen, City of Rancho Cordova, California**

“Our instructor was absolutely fantastic! Her teaching abilities are excellent and she has a lot of experience in our field (architecture).”

—**Felix Hunziker, HKIT, Oakland, California**

“[It was] extremely helpful that the instructor’s background reflected our industry. He fully understood/appreciated and could respond to questions and concerns regarding application of the software in our role.”

—**Mike Matson, Ratcliff Architects, Emeryville, California**

“...professional, highly knowledgeable, effective, and friendly. His classes would benefit any organization or company using or planning to use AutoCAD software.”

—**Moises Montoya, City of Oakland, California**

“We look to Ideate to help us be more effective at what we do.”

—**Joe Pinzone, Principal, SERA Architects, Portland, Oregon**

“I was very much impressed by the trainer’s competence. She was very efficient and direct in communicating information, and very direct and concise in answering questions.”

—**Paul King, Structural Drafter, Lionakis, Sacramento, San Francisco and Modesto, California; Reno, Nevada**

“I just wanted to thank you on behalf of URS/Oakland Office for the excellent service and professional training session that you provided to our staff. Thank you again, and looking forward to working with Ideate in future training.”

—**Kourosh Langari, Senior Project Engineer, URS Corporation, U.S.A.**
