### **IDEATE, INC. OFFERS NEW SLATE OF CIVIL 3D ONLINE COURSES**

San Francisco, California—8/31/2009—Ideate Inc., an Autodesk Premier Solutions Provider (PSP), globally recognized certification program provider and operator of Autodesk Authorized Training Centers, announced today the addition of three new AutoCAD Civil 3D 2010 eLearning Courses to its training roster. Each of these informative online Civil 3D 2010 level courses is available for \$99.

Transportation Update 2010, available October 8, 2009, reviews the most recently updated Civil 3D Transportation related features. Covered are changes made to Alignments, Profiles, Corridors, and Profile and Cross Section Views. Also discussed will be User Interface improvements and changes made to related Styles and Settings.

Survey Update 2010, available October 29, 2009, will cover the new Civil 3D 2010 Survey features and functionality. See the new Import Survey Data Wizard and Linework Code Sets, as well as new Survey tools, changes to the Civil 3D User Interface, including Ribbon enhancements, and new Styles and Settings.

Land Development Update 2010, available November 12, 2009, covers improvements that have been made to Civil 3D Land Development functionality. Expect to explore Surfaces, Parcels, Pipe Networks and Hydraflow Analysis, plus get an overview of changes to the related User Interface features, Styles and Settings.

The course trainer, Ideate Infrastructure Solutions Application Specialist, Matt Miyamoto, P.E., is a licensed Civil Engineer in the state of Hawaii with a BS in Mechanical Engineering from the University of Hawaii at Manoa. Miyamoto brings Ideate course participants years of multi-disciplinary private and public sector design experience, including residential and commercial site development, sewer, water and drainage systems, harbors and roadway improvements.

"I'm enthused primarily because these courses are very informative," says course instructor Matt Miyamoto. "It's also exciting because eLearning is ultimately convenient. There's no travel involved and no interruption in daily business operations. Civil 3D users hear and experience all the 2010 features at a truly nominal cost."

Ideate eLearning courses are available to Ideate Premium Support subscribers free of additional cost. For more information or to enroll in any of these Civil 3D 2010 eLearning Courses <http://ideateinc.com/educate/online/index.html>

Additionally, Ideate is offering the a variety of AutoCAD 2010 Recordings at \$99 per pre-recorded training: Customizing the Ribbon, Dynamic Blocks, Plotting, Sheet Sets, XREFs (External references), Tool Palettes and DesignCenter, and Ideate 2010 Recording: Networking Basics. For more information or to enroll in any of these pre-recorded AutoCAD courses, visit <http://training.ideateinc.com/Training/Recordings>.
