### **IDEATE, INC. NOW AUTHORIZED AS AUTODESK CONSULTING SERVICES PARTNER**

San Francisco, California—June 29, 2009—Ideate Inc., an Autodesk Premier Solutions Provider (PSP), globally recognized certification program provider and operator of Autodesk Authorized Training Centers, announced today that Ideate has received the Autodesk designation of Authorized Consulting Services Partner.

This authorization allows Ideate, Inc. to provide an even greater level of knowledge sharing, access to technology and service resources, and ever more advanced design solutions to its architecture, engineering and construction (AEC), civil, GIS and multimedia clients.

Design technology software provider Autodesk initiated the Autodesk Consulting Channel Services Program to support Autodesk channel partners as they deliver world class consulting services to their customers.

“We are delighted to receive this important designation,” said Bob Palioca, President, Ideate, Inc. “As an Authorized Consulting Services Partner, Ideate receives specific methodologies, tools and training. These are certain to strengthen our partnership with Autodesk and to help us maximize our customers’ return on investment and their success from Autodesk technology. Our high-performing Ideate team will meet an additional, consistently high benchmark for industry expertise and for customer satisfaction.”

For more information, contact Ideate, Inc. at 888-662-7238 or visit <http://www.ideateinc.com/solutions/professional/index.html>

#### **About Ideate, Inc.**

Ideate, Inc., a leading U.S. West Coast Autodesk Value Added Reseller, provides software and hardware, implementation services, training, support, and consulting services for the Architecture, Engineering and Construction (AEC), civil, GIS and multimedia industries. Established in 1992 and headquartered in San Francisco, California, Ideate, Inc. is recognized as an Autodesk Premier Solutions Provider (PSP) – Building Architecture, Autodesk’s highest level of authorization. Employing top architects and structural, mechanical, and civil engineers, Ideate, Inc. provides its clients with the knowledge and technical resources to make the most productive, efficient use of their software and staff so that they can achieve their optimal competitive advantage.

Ideate, Inc. operates five Autodesk Authorized Training Centers on the West Coast: San Francisco, CA; Sacramento, CA; San Jose, CA; Portland, OR and Seattle, WA.

Ideate facilities are acknowledged as Autodesk Authorized Certification Centers, providing globally recognized certification courses for professionals who sell, service and support Autodesk products and solutions. The Ideate pledge of personal commitment to its clients’ successful implementation of Autodesk software has attracted experienced industry professionals of the highest reputation to join the Ideate staff, so that Ideate has become a recognized leader providing superior service and support.
